# Your Help Is Needed!

In 1900 a group of young men at Bridgewater State Normal School had a dream of building a fraternity with the highest standards and principles. The KΔΦ Educational Foundation, Inc. was created to support the fraternity by providing supplemental funds to encourage brotherhood development and leadership education.

The Educational Foundation believes the high ideals of the fraternity should be sustained and asserted. This purpose motivates dedicated members to make commitments for KΔΦ's future by supporting this endeavor. Your support makes the KΔΦ experience a vital aspect of college life for tomorrow leaders and helps fulfill the dreams of our founders... the dream touching over 20,000 members who are KΔΦ.... **A Fraternity for Life!**
